fresh grant of Rohinis in the Anachatrus at Ridadi. I have the honor to submit herewith two statements received from the Deputy Amildar of Closepet for the year 1911-12. One shows the details of monthly expenditure with quantity and rates, and another the names of the Rohinidars and the quantity of rice given to each. From the former statement it is seen that the little savings that was effected during the year was utilised for repairing the vessels as per Sub Division Officer's orders. Similarly the other chattrums show no savings. But there are four applications as per margin, for grant of rice allowance, pending disposal.

1. Lakshmidevamma, presented to this Office.
2. Venkannachar, received with Government order official Memo No. 18 of the 9th July 1908.
3. Hanumantha Rao & Srinivasa Rao, received with Government official Memo No.3176/Alt -10-2 of 22nd February 1911.
4. Narayana Rao, received with Government official Memo No. 2008/Misc-13-2 of 14th May 1913.

The first is one Lakshmidevamma, widow of the deceased Mr. B. Ramaswamiah, late — Assistant Commissioner. She has a son who is dumb and insane. She appeared through her mother before me several times and represented that she has two other young children, that the small pension of Rs. 10/- she now gets is hardly enough to maintain the family, consisting of herself and her mother (both widows) and the three children I made several requisitions to the City Municipality to ascertain whether any quantity of rice could be — spared from the Bangalore Chattrum but no reply was received.

2. The second Venkanna Char who was a Purichark in the Ridadi Chattrum was thrown out on account of the reduction of the Chattrum establishment in 1902. He is reported to be now blind and helpless. He prays that rice allowance may be granted to him in consideration of this past service.

3. The third Hanumantha Rao and Srinivasa Rao brothers are reported to be students in the Government High School, Bangalore, that they are living on Bikshanna, and that they are too poor to maintain themselves with their old mother of 65 years old and a younger sister of nearly 9 years.

4. The [illegible] appears to be [illegible] years old and very poor. If [illegible] for the grant of certain lands in the Bangalore District or for any allowance from the Circle, the applicant should be asked to produce the [illegible] Sanad or other document.

5. [illegible] Inam Enquiry Officer, Bangalore, who will be in the village [illegible] of the Circle Inspector should be examined to prove the [illegible] to the applicant's claim.

6. If the evidence at the enquiry [illegible] Inam Enquiry Officer, Bangalore, who will be in the village [illegible] of the Circle Inspector should be examined to prove the [illegible] to the applicant's claim.

7. After the examination of witnesses is recorded, the [illegible] Rao Sahib Srinivasa Rao both may be permitted [illegible] Rao Sahib Srinivasa Rao both may be permitted [illegible] from the Circle Office for a period of one year, i.e., till the first April 1939.

8. After the examination of witnesses is recorded, the aforesaid four documents as returned, I also [illegible] same] amendments to the respective Affidavits to have a check on the [illegible] error in finding [illegible] and electrum currency, and it was that rations for those four people were not available, without [illegible] inconvenience to bona fide travellers.

9. The petitions of these applicants and the report of [illegible] of Vernacular correspondence are herewith submitted for reference.

Order thereon No. 2427-9
